Tips from Steve

Looking for short text to teach comprehension or writing genre? Below are some of my favorite websites. **THEY ARE FREE** (and good)!!! If you have any other sites that would benefit teachers, please contact me with the web address, a one sentence overview of site, and I'll include it on this page.

READWORKS

<https://www.readworks.org>

Great fiction and nonfiction text by grade level

NEWSELA

<https://newsela.com>

Teachers can pick text and adjust the lexile level for the same text.

PROCON

<https://www.procon.org>

For opinion/argumentative writing. Controversial subjects on this so select wisely. Use for older grades (5th-12th)

READING VINE

<https://www.readingvine.com>

Great fiction and nonfiction text by grade level

KQED

<https://www.kqed.org>

Great current texts

EPIC

<https://www.getepic.com>

Books by grade level

FRECKLE EDUCATION (formally Front Row)

<https://www.freckle.com>

Daily texts

WONDEROPOLIS

<https://wonderopolis.org>

Interesting science text
